CORPORATION FINANCE DEPARTMENT

IN THE MATTER OF:

Resolution No. <u>015</u> Series of 2011

BASIC ENERGY CORPORATION

RESOLUTION

This pertains to the letter-request filed on behalf of **BASIC ENERGY CORPORATION** (the "Company"), a corporation organized and existing under the laws of the Republic of the Philippines requesting exemption from the registration requirement of the Securities Regulation Code ("the "Code") for the proposed issuance of Five Hundred Million (500,000,000) shares in favor of 33 optionees pursuant to its Stock Option Plan ("Plan" for short).

In view of the fact that the issuance of the said securities is limited in character in that the right/option to purchase the shares of stock shall be limited to 33 optionees, the requirement of registration is not necessary in the public interest or for the protection of the investors. Hence, the Commission resolved in its meeting held on 01 September 2011 that the issuance thereof is exempt from the registration requirement pursuant to Section 10.2 of the Code; Provided, that the company shall file within ten (10) days from the end of every year, while the plan is in force, a report showing the names of optionees and the number of shares subscribed by them.

The total exemption fee in the amount of *PhP126,250.00* was paid to the Commission on 03 August 2011 under O.R No. 0663132.

IT IS RESOLVED.

O§ September 2011, Mandaluyong City, Philippines.
